**AFFIDAVIT OF DR. JOHN PARKER IN SUPPORT OF DEBTORS' OBJECTION TO
LIBBY CLAIMANTS' MOTION TO STRIKE, OR ALTERNATIVELY TO LIMIT,
THE EXPERT TESTIMONY OF JOHN PARKER, M.D.**

I, Dr. John E. Parker, hereby swear that the following is true to the best of my knowledge, information, and belief:

1. I am a Professor and Chief of Pulmonary and Critical Care Medicine at West Virginia University Health Sciences Center, located at Room 4075A, Health Sciences North, P.O. Box 9166, Morgantown, WV, 96506-9166. I am fully familiar with the facts set forth in this affidavit (the "Affidavit"), which I submit in support of the Debtors' Objection to Libby Claimants' Motion to Strike, or Alternatively to Limit, the Expert Testimony of John Parker, M.D (the "Debtors' Objection").
2. Beginning in 2000, I served as the tiebreaking B-reader for the Agency of Toxic Substances and Disease Registry (ATSDR) for their chest x-ray study of nearly 7,000 Libby residents.
3. In my role as a tiebreaking reader, I was blinded when reviewing the x-rays, and therefore do not know the identity of the Libby residents. Moreover, I did not retain these x-rays, nor did I rely upon them in writing my expert report. To the best of my knowledge, the

CARD clinic may be in possession of these x-rays and some of the reads, as many patients were referred to CARD after being screened.

4. The information contained in this affidavit is true and correct to the best of my knowledge and belief.
